Eastern Orthodox Christian sermons on the Sunday Readings, Feasts and other Scriptures

The Catechism of the Catholic Church presents the three criteria for interpreting Scripture enunciated by the Council in these words: 1. The way of the Cross is the way of joy -- or to joy. If we understand this reason is that we are children of the Highest and therefore it is absolutely and exclusively our nature to be merciful as our Father is merciful, we are not far from the kingdom of God, in fact, so very close that we are entering it, on the very threshold.

John the Apostle

We aint woke; we know who we are and what our purpose is, and what true freedom is and how to attain it. Be encouraged by the life of Peter; God will work with you, and you will get better, in you want to get better.

Great Lent

Christianity was growing in the midst of the pagan society it was a clear demarcation between those that did unclean things those that did not. The aim of this Directory is to present the purpose of the homily as this has been described in the documents of the Church from the Second Vatican Council to the Apostolic Exhortation , and to offer guidance based on these resources to help preachers carry out their mission properly and effectively.
