have a variety of learning tools and choice. You can choose one piece to send in or submit both.

A Searchable Teeline Dictionary

I honestly thought the list would be longer. First in order and then randomly.

Teeline Shorthand Tutor

Here they are written in order: Worksheet 2 - The alphabet part 2 When you have familiarised yourself with the second half of the alphabet complete Worksheet 2, filling in the three lines. Assignments There are no answers available for these, however, if you are a Gold Member you can send these in for marking by email. Therefore you MUST submit the LONGHAND transcription and the original TEELINE.

Teeline Differences : shorthand

You could have a margin on the left side for notes and grip the bottom of the page with your free hand ready to turn the page over.

National Council for the Training of Journalists

There are quite a few in each lesson and the more you learn the quicker you'll be able to write. You should be able to read this with a lot of vowels taken out. Assignments You are now ready to test your progress with the assignments.

Teeline Shorthand

When you've finished, see what words the combinations make. They are there so you

Note: there may also be some regional, dialectal, and linguistic additions to these. This is how Teeline is formed by using a quicker way of writing the alphabet. These are easier ways of writing outlines that occur regularly in the English language.
