### The coup in Mali is an ominous sign for Francophone west Africa

See Bruce, Whitehouse 2012 The Force of Action: Legitimizing the Coup in Bamako, Mali. This is attributed to several factors, such as the nature of the independence struggle in different African countries.

### Francophone countries in West Africa and their capitals ▸ Legit.ng

These may not intend to generate sustained action, but arguably communication is itself an action. But the broader issue is that of the political culture that created an IBK in the first place. African Affairs, 109 437 , pp.

### How the France

The logic of fixed exchange rates traces back to the Bretton Woods period when had their currency pegged to that of an industrial country.

### Political reform in Francophone Africa (1997 edition)

Initially occupied by King Leopold through a private company in 1876, the Congo became a Belgian colony in 1908. Other protests have included Kemi Seba, the Benin-born French activist who was in Senegal before being deported.
