## Trade Unions: Objectives, Functions, Formation, Regulations, Rights and Liabilities

Perhaps this speaks of the socio- cultural values and enlightened approach of their leaders. In particular, it is essential that the right to freedom of association is guaranteed for trade unions at EU level as a right which is neither subordinate to economic freedoms nor subject to proportionality requirements.

## Trade Unions: Objectives, Functions, Formation, Regulations, Rights and Liabilities

Article 2 Trade unions are mass organizations of the working class formed by the workers and staff members on a voluntary basis.

## Trade Unions: Objectives, Functions, Formation, Regulations, Rights and Liabilities

Article 41 Full-time functionaries of trade union committees in enterprises, institutions and government departments shall have their wages, bonuses and subsidies paid by the units to which they belong. Chapter VII Supplementary Provisions Article 56 Specific measures for implementation of this Law by the trade unions in government departments shall be formulated by the All-China Federation of Trade Unions together with relevant government departments.

## All You Need to Know About: The Trade Unions Act 1926

. Article 153 4 TFEU allows Member States to maintain or introduce more stringent protective measures compatible with the Treaties. In doing so, the article moves beyond the current literature to provide a broader picture of necessary legislative changes which would assist trade unions in responding to the effects of European enlargement and to better integrate new Member State workers into their host labour market.

## Law on Trade Union

Heuristic evaluation technique has been chosen and it is going to be discussed thoroughly. International cooperation on trade union will be implemented on the basis of respect for independence and sovereignty, equality and in compliance with Vietnamese laws and international rules. First, trade unions need laws which guarantee the right to freedom of association.

## **Law on Trade Union**

They act as a link between the management and workers. Strikes used to take place mainly for disputes or disagreements on a Bonus amount, b incentive schemes, c suspensions, layout and dismissal and d relocation of factories and or employees. Trade unions in these four countries are struggling to i nd ways to deal with the consequences of the recent European enlargements and, in particular, the arrival of new Member State workers.

## **Employer/Union Rights and Obligations**

Section 22: Proportion of office-bearers to be connected with the industry of the Act mandates that not less than half of the members of the trade union should be employed in the industry or work with which the trade union is connected.

## **All You Need to Know About: The Trade Unions Act 1926**

Trade unionism has touched only a portion of the working class in India. Prior to the EU enlargements in 2004 and 2007, the lack of a comprehensive social dimension at EU level did not create major obstacles to the efective exercise of the free movement provisions contained in the Treaty. However, Article 153 5 expressly excludes competence over pay, the right of association and the right to strike.
