## The Case Against Antitrust

Holmes, Antitrust Law Handbook 2010-2011 annual. In the earlier case law, however, the basis for drawing these distinctions was not well developed and courts struggled to identify a coherent framework for applying admittedly vague statutory language. She has published dozens of articles on antitrust, privacy, intellectual property, regulation, FTC litigation, telecommunications and international law issues in prestigious publications.

## Economics of Regulation and Antitrust, Fourth Edition

Prior to joining the OECD in 2007, Mr Capobianco was a Counsel in the Competition Department of WilmerHale LLP, based in Brussels. The Covid-19 pandemic has forced many to rethink their investment choices and some to walk away from the negotiation table — on the assumption that withdrawal will not bring repercussions. It is only 'natural' that they have a monopoly on teaching students, faculty, and policymakers the economics of regulation and antitrust.

## **Antitrust Laws & Trade Regulation**

This may be a question about changes at the margin, but it is far from marginal. While inequality appears to be increasing, the rate is likely more modest than the populist movement implies.
