10 Adventure Books That Should Be In Every Kid's Library

Her father, a famous undersea photographer, took her with him down to accordion tube to the glass house in which he travelled the ocean floor. The cover shows a pearl diver above the gunnels of what I guess is a pearling lugger with two attendants looking on.

Juvenile Crime: News and Stories About Juvenile Delinquency and Crime

Some had no friends at all, and many have dysfunctional families. With the help of a sophisticated group of rats called NIMH, Mrs. This may be just the thing to encourage them to go and have a look for themselves.

LA Youth » Behind bars: Four teens in prison tell their stories

No date - would suggest early 20th century.

Best Juvenile Fiction Series (Ages 7

I looked at each one, trying to guess his crime.

Chattanooga Public Library

Blinded, stunned, and breathless, he felt himself whirled helplessly hither and thither, while a load like that of a mountain seemed to rest upon him and press him down.
