1650

This man, Juan de Pareja, was the inherited from an Aunt? Not all that much, apparently, is really known about the Spanish painter, Diego Velazquez, but his influence on art and artistic style is profound. It My mom made me read this for school for a study of Velasquez. There was also a lot of mercy and forbearance, compassion, empathy and belief, and above all, friendship in this book that made it a joy to read.

I, Juan de Pareja

I was impressed by his loyalty to and sincere devotion for the Master, even after Velasquez changed their status. In 1649, the king sends Juan and his master to Italy again. Beautifully written, and very obviously a labor of love for the author.

I, Juan de Pareja Printables, Classroom Activities, Teacher Resources

He was well fed most of the time, and even was considered a valued member of the Velazquez. Pareja meets good people that want to help him throughout his life journey.

I, Juan de Pareja

This is the story of a slave, Juan de Pareja, who comes into the household of the great painter and becomes a stude Found this book on my shelves, left over from the days when we home-schooled our children. I highly recommend this book! What a great example of integrity this would surely grant them.

1650

It betrays it 1965 origin by not sufficiently projecting then current American attitudes toward race and slavery unto its main characters. This does not last long, because soon she dies too from the plague. .
