## Preventing Weapons of Mass Destruction (WMD) Terrorism in the Maritime Supply Chain

In exercising our leadership, we will respect the values, judgment, and interests of our friends and partners. This included the incorporation of the Federal Emergency Management Agency FEMA into the department. There were also the 2009 shooting spree at Fort Hood, Texas, by Army Major Nidal Hassan; the 2009 shooting at the Little Rock, Arkansas, military recruiting office by Muslim convert Carlos Bledsoe; and the 2002 shooting at an El Al ticket counter at LAX airport by Hesham Mohamed Hadayet.

## Preventing Weapons of Mass Destruction (WMD) Terrorism in the Maritime Supply Chain

In addition to facilitating negotiations, we must engage in regional diplomacy to gain Arab support for a Palestinian leadership that is committed to peace and willing to engage in a dialogue with the Israelis.

## Clinton: Security and Opportunity for the Twenty

This will let the Iranian people know that our quarrel is not with them but with their government and show the world that the United States is prepared to pursue every diplomatic option.

## Changing Today's Law Enforcement Culture to Face 21st

Our strength comes from what we do with that energy.

## Guerilla Warfare & Law Enforcement: Combating the 21st Century Terrorist Cell within the U.S.

Also that technology is reaching the stage where one can program a project to be operated by the less skilled.

## Clinton: Security and Opportunity for the Twenty

Symmetrical and uniform training standards would benefit the broader law enforcement community as well as the public at large by ensuring a consistent understanding of the threat of terrorism.

## **IX. Transform America's National Security Institutions to Meet the Challenges and Opportunities of the Twenty**

Then Chapter 14 looks specifically at combating transnational crime and the need for a new approach. Gnawing hunger, poverty, and the absence of economic prospects are a recipe for despair.

### **Why a Judge's Terrorism Watchlist Ruling is a Game Changer: What Happens Next**

Financial resources will go only where they will be used properly, rather than to government ministries or ministers that hoard, steal, or waste them.
