Peer Pressure

Weigh your emotions in the decisions you make The way we feel at any given moment is essential.

Dealing with Peer Pressure

And when it comes to resisting negative pressures, it helps to have a buddy.

Peer Pressure (for Teens)

Peers who are kind and loyal influence you to build these qualities in yourself. But if you feel you need an excuse for, say, turning down a drink or smoke, think up a few lines you can use casually. Most peer pressure is less easy to define.

How to Deal with Peer Pressure

Researchers are now studying the nuances of influence, from suggestion to coercion, to see why some young people are more susceptible than others to pressure from their peers.
