WAR IN DARFUR

Beni Helba, Birgid, Daju, and Fur Southern Darfur. Two factors have contributed to this state of affairs: firstly, the prevalent perception that this is yet another traditional inter-tribal conflict in a very remote area; secondly, the conflict has been overshadowed by the civil war in the South with its intriguing ethnic, political and religious overtones. Vegetationsökologische Untersuchungen in nordwestdeutschen Überdutungspoldern.

Dissertationes Botanicae

The different Darfurian groups were not strongly ethnic tribal in their criteria of mutual identification and hence in dealing with each other.

Atlas of Our Changing Environment: 2008

On June 30, with perfect timing, a military coup staged by the NIF aborted the peace process and with the fervour of 'jihad' unleashed a reign of terror in the North as well as the South. In addition to regulating trade in wildlife, Sudan has been attempting to boost wildlife populations through the establishment of wild animal farms.
