General Certificate of Secondary Education

Each GCSE qualification is offered in a specific school subject e.

General Certificate of Secondary Education

An algorithm for deciding grades was originally introduced by Ofqual, which got used for A-Level grades.

General Certificate of Secondary Education

These may contribute either a small or large proportion of the final grade. The Q query grade is a temporary grade that requires the school to contact the examining body. This can be seen as, in general, more appeals being submitted each year, however the appeals rarely result in any grade changes as only 182 out of 6.

General Certificate of Secondary Education

Other schools, such as , are replacing the GCSEs with in which there is an option to do no coursework. Qualifications are not awarded to grades U, X or Q.

General Certificate of Secondary Education

The GCSE was introduced as a replacement for the former and qualifications. These latter two grades are both usually provisional, and are replaced with a regular grade once any issues have been resolved.

General Certificate of Secondary Education

The question was worth 40 marks. A full, root-and-branch review of Tory reforms to qualifications and their impact on pupils is needed. If a higher tier candidate misses the D grade by a small margin, they are awarded an E.

General Certificate of Secondary Education

In addition, the proportions of candidates awarded high grades at GCSE have been rising for many years, which critics attribute to. State schools in use the instead.

General Certificate of Secondary Education

Ireland In the Republic of Ireland, the Junior Certificate is a comparable qualification. The and , or the may also be considered in an offer for direct university entry.
