It marked an informal but very tangible constitutional change in European Institutions whereby the Commission becomes in practice if not in law a parliamentary cabinet. The physical challenges to U.

**The Spies Who Came In From the Continent**

Where Washington cannot outbid Beijing, it should act to strengthen partners and help them to withstand economic coercion. Still, the issue of an enhanced US presence in Europe is broader than Poland; it is fundamentally about NATO and defending all of Europe. Meanwhile, the discussions could significantly benefit from an independent perspective from outside the US government and the halls of Congress that considers these issues in the context of a broader, long- term transatlantic approach toward Russia.

**Cold War**

NATO increased the Baltic Air Policing mission from four to sixteen aircraft, and NATO AWACS conducted sustained missions over Poland and Romania to monitor events in Ukraine. Global Europe Program The Global Europe Program addresses vital issues affecting the European continent, U.

**Access Denied? The Future of U.S. Basing in a Contested World**

Russia was also fined 300 million gold marks. By 1948 the Communist Party was in complete control of the country. Another area of future growth for British intelligence will likely be covert action with a focus on defending against disinformation.
