The original was taken by the Swedish as war bounty in 1659 and is now at the Drottningholm Palace outside Stockholm. The inside is filled with artifacts from the 17th, 18th, and 19th centuries.

### The Countess of Frederiksborg: Biography

As a mount, the Frederiksborg had to be agile and trainable for the courtiers' pursuits in and , stylish and high-stepping for parades and court

ceremonies, and strong and uniform in appearance to trot before the royal. After his death in 1601, his sons and completed the assignment. Denne sidste havde stået ubeboet i omtrent 100 år og har næppe svaret til de fordringer, som en adelsmand kunde stille i denne den danske adels blomstringsperiode, i hvilken så mange af Danmarks smukkeste herresæder rejste sig.
