**Karen Kingsbury**

This is such an encourage book to give as a gift to anyone struggling with their faith or going through a difficult time, to see how God can answer a simple prayer in life changing ways. Some of the stories involve healing, lost items, and lives saved.

**Miracles: A 52**

I often put God in a box as to what He can do. Miracles abound if we only take the time to look.

A day that signifies a bright future and a story that has come full circle. Thank you for writing such a heart warming book of encouragement! I was so blessed and heard stories that I will share with others to encourage and relate the supernatural still here and available to us. The series is set mainly in and around where the Baxters grew up and some of them still live in the series.
