Pen written on first white page. In Palestine 1 Early Christian Period 2 Period of cursory observation 3 Beginning of scientific observation II. Scientific Cooperative Surface Exploration: With the foundation of the Palestine Exploration Fund 1865 the work of exploration took on an entirely new phase, since in this case, not a single individual, but a large company of specialists entered the work, having behind them sufficient funds for adequate investigation in each necessary line of research, and with the British War Office furnishing its expert Royal Engineers to assist the enterprise.

Explorations in Eastern Palestine. By Nelson Glueck. Volume IV. Part I, Text. Part II, Pottery Notes and Plates. [Annual of the American Schools of Oriental Research, Vols. XXV

The photograph shows Mike wearing a new hat, which he struggled to keep on his head in a stiff breeze. That was in the spring of 1948, when the British mandate ended, the state of Israel was declared — and the Arab armies invaded.

### **Palestine Exploration Fund**

The map of the Palestine Exploration Fund attaches the name to the northern slopes of the western end of Gilboa, where Gideon was now encamped, and that is. This represented a carve-up of oil interests in the Middle East between the British and French, resulting in the French joining TPC and effectively excluding the Americans from Iraq. He set about drafting a new mining law for the Ottoman territories, which was necessary if his company Arabic speaker, and built a local network of contacts which would later prove useful in his work for the US government.

### **The survey of eastern Palestine. Memoirs of the topography, orography, hydrography, archaeology, etc. v.1**

Lachish was a great fortress of the ancient world. Having collected Mike from his lodgings, they headed for Kurnub and took in the geology along the way.

### **skynet2550.us.to.uk: Palestine Exploration Quarterly Vols. 41**

The archives contain over 40,000 photographs of , , and. In July 1928, five US oil firms, including Socony, joined TPC, renamed the Iraq Petroleum Company the following year.
