Dictionary of Americanisms: A Glossary of Words and Phrases Usually Regarded as Particular to the United States, by John Russell Bartlett

A species of short grass from two to four inches high, covering the boundless prairies on which the buffaloes feed. The E-mail message field is required. In addition to Aristophanes and Plautus among the ancients, Don Quixote may be mentioned as an example in Spain, and the writings of Rabelais and Molière in France.

Dictionary of Americanisms : A Glossary of Words and Phrases Usually Regarded As Peculiar the United States (Classic Reprint) by John Russell Bartlett (2016, Trade Paperback) for sale online

A tiresome person or unwelcome visitor, who makes himself obnoxious by his disagreeable manners, or by a repetition of visits. The Saxons brought their language into Britain in the year 449, when the invasion under Hengist took place. Formerly, money paid to men allied with robbers to be protected by them from being robbed.

Browse subject: English language

To swell out, to bulge. Nearly three years of this period I spent in the interior of the country, in the service of the United States as Commissioner on the Mexican Boundary; but even there, I failed not to note the peculiarities of the familiar language of the frontier, and carefully recorded the words and phrases I met with for future use.

Browse subject: English language

It is also used in the same sense in England.

Dictionary of Americanisms: A Glossary of Words and Phrases, Usually ...

The name given by the Dutch settlers to the hog-nosed snake, from its habit of distending or blowing up the skin of its neck and head. The numerous words employed in New England, which are not heard in other parts of the country, are mostly genuine old words still provincial in the North of England; very few are of indigenous origin. Its use is confined to the illiterate of New England.

Dictionary of Americanisms : a glossary of words and phrases, usually regarded as peculiar to the United States (eBook, 1848)
[skynet2550.us.to]

It is a very useful one. In New England, particularly on the coast, Indian names are very common.

Dictionary of Americanisms. A glossary of words and phrases, usually regarded as peculiar to the United States : Bartlett, John Russell, 1805

It is now rarely used, although I heard it in a prayer during the present year 1848.

Dictionary of Americanisms: A Glossary of Words and Phrases, Usually ...

It is a prevalent idiom of low life, and often heard in the colloquial language of the better informed.
