Apologies to New Zealand!

Apologies in the history of English: Routinized and lexicalized expressions of responsibility and regret. The state-backed discrimination and subsequent deportations separated families and devastated communities.

New Zealand govt apologizes for 1970s raids against Pacific community

To right the extreme, inhumane, racist and unjust treatment, specifically against my community, in the Dawn Raids era. No Broad Financial Compensation Ardern said that even though the raids occurred almost 50 years ago, its consequences continue.

Jacinda Ardern Issues State Apology For New Zealand's 'racist' 1970s 'dawn Raids'

But they faced a backlash when there was a downturn in the 1970s, with claims they were taking jobs from New Zealanders. New York: Harper and Row. While the raids took place almost 50 years ago, Ardern said their legacy continued.

Apologies New Zealand for raids and deportations in 1970s

. During the ifōga, Ardern sat motionless as members of the Pacific community pulled a large white mat over her head, completely covering her, before removing it and embracing her.

Apologies in New Zealand English on JSTOR

According to Ardern, the old New Zealand policy continues to the present. In particular, the functions of apologies between friends may be more complex than a simple linear model suggests.
