I've understand your stuff previous to and you are just extremely great. I could only imagine that these were used for creating some kind of code. Anyway, I located the Zapf Dingbats and was intrigued to say the least.

## Dingbat Ornaments

Yes, we can do it but often, there is a digital design that works perfectly and there is not a designer in the world who would create their own if a simple click will give them the same effect. If you're an avid collector looking for your next great addition, or searching for a great place to start a tradition with your friends or family, make sure you check out our Christmas ornaments at CafePress.

Youve got an awful lot of text for only having one or two pictures. You certainly put a new spin on a subject that's been discussed for many years. I would be awesome if you could point me in the direction of a good platform.

## Dingbat Ornaments

Get a big holiday laugh. Here is an example where I was using a border on the blue invitation, and I used a series of calligraphic swirls and ornaments to create this save the date design. But maybe you could a little more in the way of content so people could connect with it better.

I use a lot, which has free ornaments including hearts, planes, birds, calligraphic ornaments and borders. Did you know you can capture every first Christmas and family photo with our personalized family Christmas ornaments? You may do so in any reasonable manner, but not in any way that suggests the licensor endorses you or your use.

### **Dingbat Ornaments**

I remember the first time I came upon the concept of dingbats. It just doesn't get more special than a Christmas tree full of memories and sweet moments with your family.
