Project Gutenberg-tm eBooks are often created from several printed editions, all of which are confirmed as Public Domain in the U. Fanning so swiftly, the wasp's wings are but just visible as he passes; did he pause, the light would be apparent through their texture. But now, while I can see the shadow of the tree and watch it slowly gliding along the surface of the grass, it is mine.

No one cares for the humble-bee. The dew even in the deepest and most tangled grass has long since been dried, and some of the flowers that close at noon will shortly fold their petals.

**The Pageant of Summer**

So, too, the summer days; the sun rises on the same grasses and green hedges, there is the same blue sky, but did we ever have enough of them? I would spread abroad my arms and gather more of it to me, could I do so.

**The Pageant of Summer by Richard Jefferies, Paperback**

As the morning sky grows blue, an hour before the sun, up will rise the larks singing and audible now, the cuckoo will recommence, and the swallows will start again on their tireless journey. Swept from notched hawthorn leaves, broad-topped oak-leaves, narrow ash sprays and oval willows; from vast elm cliffs and sharp-taloned brambles under; brushed from the waving grasses and stiffening corn, the dust of the sunshine was borne along and breathed.
