How is this Treasure Temple still buried? I've got it down to the very last level before ocean. But my builders just shrug their shoulders when they get to it and go back home. Why?? : GODUS

In 54 bce, however, plundered the Temple treasury.

The Buried Temple

Gabriel Barkay oversees the excavation, and claims that approximately 50% of the earth removed from the Temple Mount site has revealed insights into the history of Jerusalem. The surprising lack of evidence that people lived right there, researchers say, argues against its use as a settlement or even a place where, for instance, clan leaders gathered. Construction began in 20 bce and lasted for 46 years.

Temple of Jerusalem

В одном оно точно существует — каждому человеку суждено умереть.

Buried temple reveals an ancient alien technology... the hidden evidence!!

Recently, a villager initiated a campaign to bring the sacred building back to the light.

Temple of Jerusalem

Relations with the are very good and she regularly attends events and services at the Temple Church. The Temple building faced eastward. The Herodian Temple was again the centre of Israelite life.

How is this Treasure Temple still buried? I've got it down to the very last level before ocean. But my builders just shrug their shoulders when they get to it and go back home. Why?? : GODUS

Their surveys also detected multiple chambers underground, Natawidjaja added.

Long

It would have been constructed sometime after the flood probably between 2300-2100 BC.

Long

It would be similar someone accidentally stepping into the Holy of Holies in the ancient Jewish Temple. Having determined this, the tricky question of why remains, for which explanations are mainly theoretical. Near the ship grave, GPR located two large circular mounds, with seven smaller mounds clustered to the north.
