Social Realism Movement Overview

F or SBS course DEC: J SBC: 3 credits AFS 350: Black Women and Social Change: A Cross-Cultural Perspective A cross-cultural survey of the history of black women in the context of the struggles for social justice in the Caribbean English- and Spanish-speaking , Africa, and the United States.

How Identity Movements Shape Politics

In this essay I will analysis how identity movements can lead to the capture and dissolution of the state, exclusion, and policy change in terms of real identity movements that used a variety of methods to obtain real results in both current and recent history.

Stony Brook Undergraduate Bulletin

Prerequisite: U3 or U4 standing; 1 D.

The African

Centered around racial pride, unity, and self-determination, black nationalism has been a potent strain within African Americans' long struggle for liberation within America's shores and beyond. Prerequisites: Two AFS or POL courses DEC: J SBC: 3 credits AFS 339: Recent African American History A study of recent African American history. One of the key effects of this has been massive job losses and resultant increases in poverty and inequality.
