### A Counterfeit Silence: Selected Poems

The translation succeeds in naturally conveying the simplicity and elegance of Akhmatova's style, with very few awkward moments, so the poems are easy to read. This is something really new for me. O Love, the interest itself in thoughtless Heaven 18.

### Duke University Press

Neruda, Whitman, Wordsworth -- these are the poets of my soul. I felt like I had to turn on a different part of my brain to read his work.

### Amy Lowell: Selected Poems

The only reason for abandoning this book was that I could not cope with the small print size.

### Selected Poems by E.E. Cummings

Why on earth I have left Anna Akhmatova unread until now? This was challenging as poetry always is to me yet very powerful and utterly delightful. In any generation there are but few grave enough to acknowledge this responsibility.

### Edith Wharton: Selected Poems

Soft and delicate with a sincere tone of wholeness.

### Edith Wharton: Selected Poems

. Can you on earth be sought, Or only when the sunsets fade Be mourned serenely in my thought? I am a kindred spirit , she spoke, looking at me, and I defenceless. Stars of death stood Above us, and innocent Russia Writhed under bloodstained boots, and Under the tires of Black Marias.

### Selected Poems (Smith collection)

However, I have to rate this as a cumulative piece of work, and there were so many poems around 150 I believe that overall it was such a mixed bag. Yes, I'm still mad about that one.

### **Edith Wharton: Selected Poems**

The life of man is never quite completed;  
The daring and the chatter will go on;  
But, as an artist feels his power gone,  
These walk the earth and know themselves defeated.  
It just doesn't speak to me.
