The Missouri River is the longest river in North America. Therefore, bryozoan substrates were limited to living and dead *Exogyra* sp.

**Text of H.R. 1495 (110th): Water Resources Development Act of 2007 (Passed Congress version)**

Book 3, Applications of hydraulics. Incorporation by Reference In this rule, the EPA is finalizing regulatory text that includes incorporation by reference.

**The impacts of coal strip mining on the hydrogeologic system of the Northern Great Plains: Case study of potential impacts on the Northern Cheyenne Reservation**

Residential, recreational, commercial, and transportation development continues near Gore Creek and its tributaries to support the increasing permanent and tourist population of the area. For the following reasons, however, we find that CARB and the SJVUAPCD have not demonstrated to the EPA's satisfaction that the plan for the SJV area includes all MSM that can feasibly be implemented in the area. Gubik
