Training Modules on Life Skills Education

Your senior has been unkind and rude and you need to talk to a friend about the best course of action against bullying.

NPTEL :: Computer Science and Engineering

Patient Listening: is the ability to receive auditory inputs with full respect in a sustained manner in any conversation, without interrupting others, until they are completed.

Curriculum & Teachers

We should do our level best to provide them opportunities.

National Skill Development Corporation (NSDC)

Learning at The Mulberry House School is just as much about developing curiosity, resilience and a love of learning as it is about achieving academically. Components of Effective Communication Analytic Ability: is the ability to analyze different components of a piece of information, in order to understand its content.

National Skill Development Corporation (NSDC)

Reacting on the Spur of the Moment: is the ability to react to any situation instantaneously, making sense. When we think of automation testing, the first thought generally revolves around Selenium being an open source and helps testers to automate testing of web-based applications more proficiently. In India; Young people are at serious risk.

Denial of Education for Rohingya Refugee Children in Bangladesh

Understanding self-awareness could be done effectively, if we understand the concept of self-esteem and related issues. The present day world holds this attribute at a high premium in life. RESOURCE MATERIAL FOR PARTICIPANTS Meaning and Importance Can you think of a society where there is no need of communication? The National Curriculum Framework-2005 also says learning has become an isolated activity, which does not encourage children to link knowledge with their lives. Knowledge has to be corrected to life outside the school.

National Skill Development Corporation (NSDC)

You have 2 options to complete the course Enroll for 100% Free Course without Certificate Course provides Theory, Practical, Assignment and Quiz. The government of Bangladesh did not certify the education Rohingya children received at learning centers before the informal education program was introduced, and has not indicated that it will certify their education under the informal program.
