Croce fixed the editorial guidelines that became typical of the book series: the lack of introduction and comment, and in notes, indexes and any philological apparatus. The series was born with the intent to define and explain a cultural canon of the new Italy, disassociating from a culture yet considered too much based on the classic of the , and choosing to represent also the civil history of the newborn Italian State. Il testo della versione francese consente di correggere una leggera svista di Vogliano p.
