Provision for bunks is given for person per seat reservation. Their ritual texts are called Vedas, composed in Sanskrit.

There are around 50 physicians per 100,000 Indians. By repeatedly repulsing in the 13th century, the sultanate saved India from the devastation visited on West and Central Asia, setting the scene for centuries of fleeing soldiers, learned men, mystics, traders, artists, and artisans from that region into the subcontinent, thereby creating a syncretic Indo-Islamic culture in the north. The slowing down of the overall population growth rate was due to the sharp decline in the growth rate in rural areas since 1991.
