**James McPherson's *What They Fought For*: When great ideals gripped the American people**

There was a war where many states that were fighting for their rights and what they believed in. The North wanted to abolish slavery because it went against the Constitution.

## Essay on What They Fought For Summary

Fleming Lectures in Southern History. In two separate chapters, McPherson analyzes the overall motives of Southern and Northern soldiers, and in a final chapter he considers their attitudes towards slavery.

## What They Fought for, 1861

In an exceptional and highly original Civil War analysis, McPherson draws on the letters and diaries of nearly one thousand Union and Confederate soldiers, giving voice to the very men who risked their lives in the conflict.

## What They Fought For 1861

Black Union soldiers fought to free their race.

## What They Fought For 1861

S History course in college, which was not a big deal to me because I enjoy reading history books. The rate of literacy for blacks, for example, increased by 200 percent in the 15 years from 1865 to 1880 and 400 percent from 1865 to 1900.
