Patient Power: Solving America's Health Care Crisis.

Funds not spent would grow tax free and could be rolled into an IRA or other pension plan at the time of retirement. These partnerships can address the problem of lack of care access in rural areas.

Patient power : solving America's health care crisis (Book, 1992) [skynet2550.us.to]

On the other hand, it does make health care more expensive. Over the next 20 years, that figure will dip down as low as 78 percent.

Solving the Emergency Care Crisis in America: The Power of the Law and Storytelling

Right now, however, there is an acute shortage of respirators. The Supreme Court interpretation of ERISA, combined with congressional unwillingness to extend the Hawaii precedent, means that states have almost no leverage over employers.

Patient Power: Solving America's Health Care Crisis.

Under the proposal, people would be allowed to choose high deductible policies and put the savings tax free into an account that would be used to pay for small medical bills not covered by health insurance.
