Ns 90, 91 of Surah Al-Momin; E. For further explanation, see E.

KHUTBAH TERAKHIR NABI MUHAMMAD SAW

We need not waste our time trying to discover how, for such discovery will not strengthen our faith.

Surah An Naba [78]

Therefore, in spite of charging him with a thousand false accusations, nothing to say of making others believe, they were finding it difficult even for themselves to believe that although he was an honest and upright man in every other affair and dealing of life, yet, God forbid, a liar only in his claim to be a Prophet. An alternative explanation is that mountains balance out the inner with the outer movements of our planet. That is, the night has been made dark so that protected from light, you could enjoy a peaceful sleep more easily and made the day bright for the reason that you could work for your livelihood with greater ease and facility.

Sûrat Ibrahim (Nabi Ibrahim)

Today he is giving us strange, impossible news. لَا يَشِينُ فِيهَا أَحْقَابًا who will be abiding in it for ages....

KHUTBAH TERAKHIR NABI MUHAMMAD SAW

I note how they are repeated in different ways, which suggests that the repetition is intended. After this they will be completely removed.

KHUTBAH TERAKHIR NABI MUHAMMAD SAW

Apparently, one might think that the people who were the audience of this verse died fourteen centuries ago, and even now it cannot be said how many hundreds or thousands or millions of years Resurrection will take to come. Verily, in these things there are Ayat for the people who understand. ALLAH telah melarang kamu mengambil riba bunga uang dan karena itu sejak saat ini semua kewajiban bunga uang harus dihapuskan.

KHUTBAH TERAKHIR NABI MUHAMMAD SAW

We made the night a mantle, and appointed the day for gaining a livelihood. Often the poor, with no means of comfort and without bed or bedding, enjoy the best sleep in an open space.

Surah Muhammad

The discourse has been concluded with this warning: The Day the coming of which is being foretold, shall certainly come to pass.
