### Labour history records held by other archives

Divisions within the Liberal Party helped to increase the Labour Party's share of the vote and its number of MPs in the general elections of 1918 and 1922, after which it became the official opposition in parliament.

### Labour Archives

It is also edited and used to produce a number of thematic digests, including one relating to labour history.

### News Archives

University Library, Coventry CV4 7AL The People's History Museum in Manchester holds the national records of the Labour Party and the Communist Party together with papers of many other figures. One of the most important record repositories in the UK for the study of labour history, the centre holds the archives of the Labour Party and the Communist Party, and personal papers of nationally important figures in the labour movement.

### Merton and Morden Labour Party

This page was last updated 30-05-10.

### Merton and Morden Labour Party

The Labour Party has acquired various other collections over the years, These include the records of the Women's Labour League 1906-18, the War Emergency Workers National Committee 1914-19, the Council of Action papers 1920-21, the Arthur Henderson papers 1915-35, the papers of the Chartist Henry Vincent 1837-39 and those of the early socialists Frederick Pickles 1885-1907 and HA Barker 1882-1933.

### LABOUR PARTY POSTERS

Progressive housing legislation was introduced, ports and the aircraft industry were nationalised.
