

Politics in Sri Lanka - changing trends

Observer Research Foundation - Towards a Debate on Post

Outline

- This paper uses recent military victory in Sri Lanka to reflect on broader lessons about third party interventions and mediation in a changing global environment
- The Sri Lankan experience raises questions about the future of the 'liberal peacebuilding' model and the role of 'weak mediators' such as Norway
- The analysis highlights a number of tensions with the emerging consensus from three bodies of literature – cross-country quantitative studies, practitioner literature, 'liberal peacebuilding' literature

Description: -

-

Great Britain. -- Army. -- Rifle Brigade.

Sri Lanka -- Politics and government -- 1978--Politics in Sri Lanka - changing trends

Sri Lanka's current political impasse: Some additional thoughts

Amidst all its dismal political failures, the yahapalanaya government of President Sirisena and Prime Minister Wickremasinghe should be given due credit, at least belatedly, for arresting this tendency with tact and care as a part of their overall project of restoring democratic governance in post-war Sri Lanka.

Politics of Sri Lanka

Parliament reserves the power to make all laws.

Political Violence in Sri Lanka

This country belongs to Mahinda not to Maithree or Ranil who brought misfortune.

Political Violence in Sri Lanka

Conclusion The political violence of young people is a manifestation of birth pangs of a society, in which the political transition for achieving inclusive, equitable and participative political reforms have been hindered. The weakening of parliamentary democracy and political instability amid communal tension is a likely scene.
