Digesta Iustiniani : Liber 13 (Mommsen & Krueger)

To this harangue the Britons artfully replied that they had imprisoned Commius in order to preserve him from the fury of the people, and with this excuse Cæsar either was, or affected to be, content.

Equally numerous are the remains of Roman camps, constructed with great engineering skill.

Piracy

Ac de amicitia multum, plurimum de fide utrinque servanda collocuti sunt, atque post nonnullos sermones a se soluti. Sed hanc solum a nobis accipiet opem

Regis itaque industria in amicitiam revocati, regia negotia exinde curabant. The victor dared not, however, present himself to the acclamations of the people, for fear of exciting the jealousy of his imperial master. It was given, and they advanced in a triangular battalion; the auxiliaries followed the impetuous movement, and the squadrons charged with their lances in rest.

Unde contigit, ut praedium, quod Ramsolan dicitur, a quadam venerabili matrona suscepit, nomine Ikia. Easy means of communication were, of course, a necessity for the Romans, dwelling, as they did, as a military garrison among a people notorious for their propensity to break into wild rebellion at a moment's notice; and hence the country was traversed by a complete system of roads leading from station to station.

Scaevola libro quinto digestorum Locum purum pignori creditori obligavit eique instrumentum emptionis tradidit: et cum eum locum inaedificare vellet, mota sibi controversia a vicino de latitudine, quod alias probare non poterat, petit a creditore, ut instrumentum a se traditum auctoritatis exhiberet: quo non exhibente minorem locum aedificavit atque ita damnum passus est. Sibi etiam periculo esse memorant, si id quod animabus periculum ingerit, neglegentes non innotescant. The picture we are able to construct, therefore, is derived almost entirely from the Romans; nevertheless, it is a fairly complete one.

Qua die Germanorum victoria aegre sustentata est, et licet innumerabilibus suorum stratis tamen enituit. Are not our persons taxed? Cognovit autem Suein, quod Dominus ipse est Deus, et reversus in semetipsum, peccata sua prae oculis habuit poenitensque oravit ad Dominum, qui exaudivit eum et dedit illi gratiam in conspectu inimicorum suorum, et restituit eum Olaph in regnum suum, eo quod matrem suam habuerit.
