HoldTight® 102

Guided by our vast knowledge and experience of the media and music industries, we deliver creative and effective campaigns on a competitive budget, whether you are an unsigned band looking to build your profile, or an established artist wanting to deliver a solid release campaign. HOLDTIGHT ® 365 Our newest product pairs perfectly with our original HoldTight ® 102 and allows you to work with max efficiency to prevent flash rust and corrosion.

Hold Tight (Sidney Bechet song)

Play with color and transparency effects in this colorful, modern quilt design.

Hold Tight (Dave Dee, Dozy, Beaky, Mick & Tich song)

They blend professionalism with a personal touch, making sure that any project be it band, album, event, video, you name it gets the loving attention it deserves. When you mix it at a ratio of 50 to 250 to one coverage rates are just pennies. Wet abrasive blasting with untreated water causes flash rust.

Slum Village

COPYRIGHT Pattern, instructions, illustrations, and photos on patterns are for personal use only. A: Thaw it out and use as intended. Ken Rossy, vice president of sales at HoldTight, explains how the pandemic has prompted the corrosion control industry to become more creative to overcome logistics and market constraints.
