## Pregnancy Books: 7 Must

Start a journal in your free time, they suggest. Wording in general was easy to read, not like a text book. Overall, this was a higher level, concise pregnancy book for new fathers.

## A BabyCenter tour for expectant dads

Useful information, that as a male, he did not know about. Good explanations about the female body to the male reader in what to expect.

## Dads

Also VERY useful are the abundance of DOs Brownie Points and DON'Ts In The Doghouse spread throughout the book, nicely going hand in hand with the topics covered in the pages where they pop up. Your job is to comfort her in any way you can. And there's no way to know ahead of time what your partner will prefer.
