5 Apps for Simplifying Your Getting Things Done Process

Francis of Assisi, and Abraham Lincoln.

How to organize your computer folders and files?

It's the small things that make it, and if your to-do list is starting to get bloated with categories, varying priorities, and all sorts of labels and flags and functions,.

10 Ways to Get Things Done on Time!

Tasks that have no specific time can be put into your task list to be completed at the next possible opportunity. It took me awhile to go through everything on my computer but my email inbox stays at zero every day now and my file system now more appropriately matches what these files mean to me. It's already been very helpful in getting us to look at the reason so many things never get done on time or sometimes not at all.

How to Get Things Done: 12 Steps (with Pictures)

Just visiting a compromised website can infect your PC.

Getting Things Done: The Art of Stress

But there are some practical bits and pieces to take away, I've found it useful to not just write a to-do list but also to write by each item what I'm waiting on or what has to be done next to progress the item and the book inspired me to use the email calendar feature to pop up reminders of things to do and people to chase. See all your next actions filtered by area of responsibility You can also quickly sort your tasks by context by selecting a given label to see all the associated tasks. Therein lies some of the book's best value, but it's too detailed to go into here.

Getting Things Done Training

That sounds like a description of a scone or something. Not Doing Weekly Reviews This is one of the biggest stumbling blocks for new GTD

practitioners. While you chase these distractions your project languishes as an incomplete cycle.
