### Kayaking In Western Montana + Glacier National Park

Photo: Haley grew up in Indiana but spent 10 years on the high seas as a yacht stewardess for the rich and sometimes famous.

### Paddling

Many paddlers enjoy trekking out to Wild Horse Island, where you can take a two-and-a-half-hour hike. I hope you enjoy this free content.

[skynet2550.us.to](http://skynet2550.us.to)

Both paddle powered and motor powered boats are available for rent onsite in the village of Waterton. Waterton Lakes All Abilities Just north of Glacier National Park are the sapphire blue waters of Waterton Lakes National Park. We all wanna come back to paddle another day, so check out these basic tips to make your next paddle your safest.

### Canoeing in Montana

The Glacier Park Boat Company offers rentals at the marina.

### Canoeing in Montana

Look for the best trips when flows range from 8,000 to 12,000 CFS. With the help of private and corporate donors, local volunteers, and small businesses, MKA programs began in the spring of 2016.
