## Lancelot Law Whyte, 'The cult of sincerity'

This book shows how rituals allow us to live in a perennially imperfect world. He thinks the hipster generation is so preoccupied with being cool, that they won't believe in anything.

## The Cult Of Sincerity by Read, Herbert

This 10-digit number is your confirmation number. Our main man, Joseph, steps up to the mic and begins a Network-style self-important rant about the twenty-something generation. The chapters point to the modern disavowal of ritual in the creation of fundamentalist movements as well as other extremist positions.

## The cult of sincerity : Read, Herbert Edward, Sir, 1893

As well as covering the American cultural scene, the magazine seeks to explore arts internationally through its regular reports from abroad and translations of contemporary writers from other countries. Each issue contains a wide range of material including: poetry, fiction, essays on literary and cultural topics, book reviews, and chronicles covering film, theatre, dance, music and art. .

## Lancelot Law Whyte, 'The cult of sincerity'

They were students in the first creative writing course that was taught at Princeton by the poet Allen Tate. He wants to find something to believe in, something simple enough to put on a T-shirt. The book, building on anthropological theories, draws examples of ritual attitudes from a variety of cultural settings, including original comparisons of Chinese and Jewish discussions of ritual and its importance.
