### Auvergnat

For those seeking spa and mineral bath treatments, Châtel-Guyon is worth a detour, about five kilometers from Riom. In August, a classical music festival is held at various venues in La Chaise-Dieu, as well as in nearby villages. It was awarded AOC status in 1975 and is available in both artisanal and industrial versions.

### Discover the Enchanting Villages of Auvergne

Temptation abounds from artisan sweets and chocolates, to antiques, saffron, and interior design items.

### Auvergne

Walk to the summit or ride the electric cog train that winds up to the top in just 15 minutes.

### Volcanoes

. The basilica contains relics that have been venerated by pilgrims since the 6th century, and the choir holds a revered 12th-century statue of the Virgin enthroned.

### Auvergne

Address: Route de Mazayes, Saint-Ours les Roches Auvergne is among the best places to visit in France to enjoy summertime concerts and festivals. Visit to see another impressive example of the local church architecture. Among other highlights don't miss the pilgrimage town at le Puy en Velay.

### Discover the Enchanting Villages of Auvergne

Henry IV, the first Bourbon to become king of France 1589, was the son of Antoine de Bourbon, duke of Vendôme and king of Navarre. In this one-of-a-kind town, striking volcanic formations provide stunning sites for medieval pilgrimage churches.

## **Province of Auvergne, France**

Other nearby airports served by low-cost carriers are Limoges and Rodez in the west, and Lyon in the east.

## **Auvergne Genealogy**

In November 2014 the approved the measure, and it took effect on January 1, 2016.
