Journal of Air Transport Management, 34.

## History of television

Stakhanovism also provided an avenue of attack against the technical-managerial intelligentsia, checking its desire to stake out a more secure position, and counterbalancing the regime's dependence on its skills and knowledge.

## Essays on Revolutionary Culture and Stalinism 0

By the end of 1926 it had secured an active financial role in over half of Harbin's bean-oil refineries and bean mills, and by 1929 all bean processing operations in the entire region had at some stage received its credit.

Items where Year is 2014

It was an unrestrained public exhibition of cheer and good feelings, an all-Russian solidarity of joy.

## AES E

Among the tasks to which they were assigned were the preparation of information for raikom biuro discussions, the planning of monthly raikom

work schedules, and attending important conferences and meetings.
