Slide Rule for the Modern Day : 30 Steps (with Pictures)

There he invented the mini-motor, the six-volt generator, and the tiny Congreve clock. I am returning the book after slogging through a little more than half the book.

Slide Rule for the Modern Day : 30 Steps (with Pictures)

Cullimore, 1915 - This is a hard bound text on the use of the slide rule and only specifically mentions the Mannheim type rules. It touches on the author's career as a writer, but does not go into that aspect of his life in great depth.

Slide Rule: Autobiography of An Engineer

Prior to emigrating to Australia and embarking upon a successful career as a fiction writer, Nevil Shute Norway, as he was originally named, was a well-known British aircraft designer. As a child, little Nevil skips school to spend the day in the science and technology museum. His father was to be the Post Master for the British Postal Service.

K&E Manuals

It was used exactly like a straight slide rule.

Nevil Shute Foundation—Title

Anhand der ausführlichen kontextuellen Analyse lässt sich zeigen, dass der Brunnen selbst nur eine geringe Bedeutung für die Wasserversorgung der römischen Stadt besass.
