The EU

The EU stands for open markets, but it is not a naïve free trader. The President can also convene additional meetings to address urgent issues. I adhere to an expansionist versus truncated view of Europe.

Eastern Europe

Looking East: The Strait of Gibraltar, Europe on the left, Africa on the right, the Mediterranean in the middle The Strait of Gibraltar separating Spain from Africa in the western Mediterranean is an 8—23 mile wide, 36-mi. The of 1986 launches a vast six-year programme to sort these out.

Migration data in Europe

On the map you can click on a city or country name to get more information.

6 things the EU has achieved, 60 years on from its founding treaty

Right, straight to it then. In July 2019, Croatia ratified pledging to refrain from the military use of schools in wars.
