## Church and state in Luther and Calvin (1965 edition)

His health worsened throughout the spring, and he died on May 27. He was condemned for heresy and executed. This friendship resulted in trouble for Calvin when Cop was branded a heretic after calling for reform in the Catholic Church.

## Church and state in Luther and Calvin; : a comparative study

The author addresses his readers directly. Calvin became ill in early 1564, and preached his last sermon on February 6 of that same year. There, Calvin continued working on both the second edition of the Institutes and his Commentary on Romans.

One year later, he befriended Nicolas Cop, the rector of the Collège Royal in Paris.

## William A. Mueller, Church and State in Luther and Calvin, a Comparative Study

Calvin left France for Basel in January.

## Church and state in Luther and Calvin; : a comparative study

His theological works, biblical commentaries, tracts, treatises, sermons, and letters helped establish the Reformation as a legitimate and thriving religious movement throughout Europe. In late 1537, Calvin fled Geneva after a controversy surrounding the Eucharist. Should the throne or state control the altar of worship? He built up a body of doctrines which is called after him, and which obtained symbolical authority through some of the leading Reformed Confessions of Faith.
