Review of “The Perfect Alibi: A Novel” by Phillip Margolin

I remember this being the case in his Amanda Jaffee series. She has no friends or lovers, following the same routine every week but her monotone existence is not quite what it seems. What were all these people really up to during the war? The book is seven hours six minutes.

The Perfect Alibi (Robin Lockwood #2) by Phillip Margolin

The pros are looking at him.

Robin Lockwood: The Perfect Alibi (Series #2) (Paperback)

Venice, 1946, the city largely untouched by the war but the enmities still smoldering. Bonus points for a supporting character who was essentially Evil Lieutenant Columbo. It got really fucking annoying for a while.

Author BA Paris shares tale An Alibi For An Alibi exclusively with Sun readers

The test is whether Kinsey can prove her case against him before she becomes his next victim. It is now protected in a Brodart cover.

CiteSeerX — Alibi: A Novel Approach to Resource Discovery

The book is a psychological thriller, providing the same type of tension that a reader experiences from Crime and Punishment. Shipping charges are calculated for a standard parcel under 1 kg.

Alibi by Joseph Kanon

I will start by saying I did not read book one. Afternoon Sir Roger's sister-in-law, Mrs.

The Perfect Alibi: A Novel (Robin Lockwood #2) (Hardcover)

And for the most part enjoyed every one. Raymond is questioned about any strangers seen in the past week — the only one he can recall was a young representative from a firm of manufacturers called Curtis and Trout — Sir Roger was considering buying one of their machines. This book is set in Venice right at the end of World War II, and the murder that occurs is not a mystery at all.
