Jim Kelly (martial artist)

The film stars , and. In 1971, Kelly won four prestigious championships that same year, most notably, the World Middleweight Karate title at the 1971. Boxer-turned-cinematographer James Wong Howe would have been my pick for director.

Enter the Dragon Remake (Bruce Lee)

Having earned over 400 times its budget, it is one of the most profitable films of all time, as well as being the most profitable martial arts film.

Bruce ____ from Enter the Dragon Crossword Clue Answers, Crossword Solver

You feel about this movie the way I feel about every Jimmy Wang Yu movie ever made. I mean, for a guy who is known for his speed....

Enter the Dragon Quotes

The one drawback is that it is hard to read the maps that are in the book, and the quality of the pictures is not nearly as good as it could be. The thing that always impressed me with ETD with regards to the fight choreography is that Lee was all about the impact. While Schifrin was widely known at the time for his jazz scores, he also incorporated funk and traditional film score elements into the film's soundtrack.

Enter the Dragon Quotes

Little more than a damsel in distress? Essentially there to flex muscles and throw people around, before succumbing of all things to a bite on the leg and a kick in the balls, the fact that squanders an opportunity for the big man to face off against the Little Dragon is insufferable. Another injury had the potential to be even more frightening, and came in the moment when Lee was handling a live cobra.
