Society and Culture in Mexico

The Post-Classic period from about 900 to 1500 was characterized by widespread migration throughout Mesoamerica and the re emergence of the central valley of Mexico as the site of large-scale urban settlement and political power.

Mexico Timeline

His proposed changes came under fire because amendments enacted by Congress alone were unconstitutional, and the changes would strengthen the executive power. He then resisted the French occupation and worked to overthrow Emperor Maximilian.

History of Ciudad Juárez

February 1517 Francisco Hernández de Córdoba, the first European to visit Mexican territory, arrives in the Yucatán from Cuba with three ships and about 100 men.

History of Mexico

In 1841 the state government appointed him a federal court judge, a post in which he served with excellence. Most Mexican presidents complied with the constitutional provision mandating a single six-year term sexenio with no re-election. Office hours in Mexico are becoming similar to US office hours.

History of Mexico

Near the Stanton Street bridge in downtown El Paso, most visitors that come for a single day choose to park on the US side of the border and

walk across the bridges as to avoid dealing with traffic, lack of parking in the city center, and long waits for vehicles reentering the United States.

History of Mexico

Most astutely of all, some may say, rather than relinquishing power to presidential pretender Emperor Maximilian, Juárez instead tied liberalism to and saw off the threat of the so-called Second Mexican Empire whilst maintaining the Mexican Republic.
