Department of Homeland Security tent facilities.

How Undercover Investigation of Lamb Slaughterhouse Led to Federal Prosecution

The main defendant, former Popular Party PP treasurer Luis Bárcenas, sent a letter to prosecutors a few days ago with new revelations about the workings of an alleged illegal funding operation that went on for years. We have investigated and handled hundreds of False Claims Act, including winning a number of landmark appellate cases in federal circuit courts across the country. But that did not prevent Superior Farms—or any other farm, for that matter—from making claims about the humane treatment of animals in its facility that it had no intent to follow.

Unemployment fraud: How international scammers took \$36B from the US

Since March, the state has identified 122,000.

Government Contract Investigations and Enforcement

The hearings There are 46 planned hearings, the first of which took place on Monday with a discussion of preliminary points.

Virginia Man Pleads Guilty After Government Contracts for Masks Go Unfilled

He can be reached at npenz usatoday. In the US, a DPA carries the risk that a company may be assigned an outside monitor to oversee compliance with the agreement.

Steps in Prosecution
