Kruger, might hope in time to approach the fitness of the burgher. The President answered that this was 'Nachtmaal' time and the town was full of his burghers, and that he made it a rule, which he would violate for no one, to reserve the Saturdays of the Nachtmaal week for his burghers so as to hear what they had to say if any wished to speak to him, as his burghers were more to him than anyone else in the world. The private circulation of that work during June of the present year led to suggestions from many quarters that it should be supplemented by a chapter or two dealing with later events and published; and the present volume is the outcome of these suggestions. Only a few convictions, and those of no very outrageous crimes, resulted from these prosecutions, which kept the entire colony in a ferment until long after the circuit was closed.

Before the end of 1887 ten or twelve thousand must have poured into the country. We found this book important for the readers who want to know more about our old treasure so we brought it back to the shelves. A big trek the Banjailand trek was organized in 1890 and 1891 by General Joubert and his relatives and supporters to occupy a portion of the territory already proclaimed as under British protection and the administration of the Chartered Company.
