### Programme in 2014

It offers textile arts-related resources, events and opportunities — along with a blog.

### List of new media art festivals

Our community of faith is blessed with many gifts. I worked with Dr Tchalenko in the Drawing and Cognition Project, using eye tracking and video to explore hand and eye coordination during observational drawing. The University offers a wide range of study programmes in all fields of arts, and study programmes aimed at professionals in the field of culture and media.

### Papers & Essays: New Directions

Started in summer of 2017. The bishops' statement reflects the action of the bishops, and the summary report is the work of the task force. This review should be coordinated with other assessments for which publishers presently submit their materials.

### December 2016

Even high school and university student volunteers took part. Every human being is created in the image of God and redeemed by Jesus Christ, and therefore is invaluable and worthy of respect as a member of the human family.
