## New development strategy for the 1980s

We must replace the Carter Administration's promise of hard times and austerity—one promise which has been kept—with Republican policies that restore economic growth and create more jobs.

## Strategy and Policy Analysis

Puerto Rico has been a territory of the United States since 1898. It could also mount a combination of eight HELLFIRE missiles and thirty-eight rockets.

## Transnational corporations, financialization and community development in West African cocoa

**Excessive Regulation of Agriculture** The crushing burden of excessive federal regulations such as many of those imposed on farmers, ranchers, foresters, and commercial fishermen by OSHA, EPA, the Departments of Agriculture, Labor, Justice, Interior, and other government entities are unrealistic and unnecessary.

## Revisiting the The Rise and Fall of the Japanese Economic Model

Republican economic programs will create conditions for rebirth of citizen activity in neighborhoods and cities across the land.
