Look It Up on Apple Podcasts

The pandemic is responsible for reminding me that I once made a practice of trying to know what I was reading. And a brief discussion on meringue safety.

look up

NASA video about movement in space suits, bit. Which type of transport is safest per mile traveled? Excellent choice if you'd like to learn more about a variety of topics, but don't have the time to listen to long and in-depth podcasts. We'd love to hear eyewitness accounts, the history behind an article.

Chrome Web Store

What are the origins of the Prairie Home Companion song about rhubarb pie? Scientific American article on lunar Olympic gymnastics, bit. No racism, sexism or any sort of -ism that is degrading to another person. Did you actually read the transcript in its entirety? Today: filling various sizes of swimming pool with beans, how to find the correct dairy product in France, and the prevalence of trumpets in Soviet movies.

Look up

On this episode: can you microwave clothes to dry them? What could I have been reading to pick up chryselephantine? Copyright © 2005 by Houghton Mifflin Harcourt Publishing Company. Threats of harming another person will not be tolerated. Perhaps the archaic butter-and-egg man knew that eupraxia meant activities consistent with the moral virtues.

look up

But others are simply obscure to me. Look me up the next time you're in town. A book about Lawrence Tibbett, bit.
